

## Chapter - 4

## The Trojan Horse

Answer the following questions

1. Why did the Greeks lay siege to Troy?

Ans The Greeks lay siege to Troy to bring Helen back to sparta.

2. Why were the Greeks not able to enter Troy?

Ans The city of Troy was protected by a towering wall which stretched all the way around the city. So, the Greeks couldn't enter the city.

3. How did the Greeks trick the Trojans?

Ans The Greeks tricked the Trojans by building a giant wooden horse. They later set their camp on fire, loaded their ships and sailed off and wrote a note on the horse saying "We give up."

4. What did the soldiers, hiding inside the horse, do at night?

Ans When the belly of the horse opened up at night, the greek soldiers began cutting a path of destruction across the city. Another group ran to open the gates for the allied Greek force, and thus, the ancient city of Troy fell to the enemy.
